2020 Pandemic Pod Micro-school Policies and Procedures

Before Arriving At The Center:

- Before leaving your home each day, please conduct a health check. If your child is ill or someone in your household has COVID symptoms, please stay home and contact us for support in arranging for a make-up session

Upon Arrival:

- A limited number of people are permitted to be in the lobby, please wait 6 ft. apart to bring your child to the Health Check Station. We will implement/assign staggered arrival time as needed to ease the process.
- Please note that masks are required to enter the facility. We will work with your child to increase the tolerance of a face-covering during their time with us. Once seated children will be permitted to take off their masks. All adults will be required to wear a face mask at all times when inside the facility. When children are moving about the center they will be required to wear a face mask or covering.
- Report to the Health Check Station for a Daily Health Check which includes:
 - Take the temperature of the child upon arrival.
 - Has the child had a fever or felt feverish in the past 24 hours?

- Has the child had a new cough, rash, sore throat, or shortness of breath in the past 24 hours?
 - If the answer is YES to either question or the child has a fever above 100.4, the student cannot be permitted to participate in order to ensure the safety of others.
 - If the answer is NO to both questions and there is no fever above 100.4, the student may enter the center for the day.
- A SuperKids Academy team member will escort your child to wash their hands and will escort them to their classroom.
- The caregiver will depart. Please note if there are separation issues that require an adult to remain on-premises, space is limited, but we will work with you to best accommodate. Any adult remaining after the initial check-in will be required to have a health screening.

Additional Health and Safety Information:

- Effective June 26th New York State and NYC Department of Health amended guidelines to increase the maximum group size to 15 children - instead of 10. Our student groups are currently limited to 15 per group or less dependent on space size. We will maintain consistent groups and teacher assignments as much as possible. There will not be interactions between different groups of students.
- High touch point areas such as handles sink knobs, table surfaces, and benches, will be wiped down with each group transition.
- Social distancing will be maintained between class groups and creative spacing will be implemented within the groups to aid the children in distancing as much as possible.
- Frequent hand washing will be practiced along with the occasional use of hand sanitizer. Hand washing is implemented upon arrival and at each activity transition.
- All students' belongings will be sent home after each day for washing.

Upon Dismissal:

- Due to the limited number of people permitted in the lobby caregivers will wait 6 ft. apart. We will implement/assign staggered arrival time if needed to ease the process.
- Your child will be brought to you at the front door for dismissal.

What to Bring - Microschool and/or Learning Pod (Please label ALL School Items):

- Face mask. All students are required to wear a face mask throughout the day. We will work with all students to wear masks throughout the day, supporting them throughout this experience as we take a positive and proactive approach to normalizing masks, increasing the safety to your family and our staff.
- Students may spend part of their day outdoors, please apply sunscreen prior to arrival; no sunscreen will be applied during the day by staff.
- Reusable Water Bottle

- Pack NUT-FREE Lunch (if applicable) - Lunch occurs daily at 12pm.
- Labeled bag with a full change of clothes, all items must be labeled with child name.

Refund/Cancellation Policy:

- No refunds or credits will be issued for missed days. Make-up sessions will be available virtually or in person, pending availability. In the event of an unforeseen closure, virtual sessions will be available.

Assumption of the Risk and Waiver of Liability Relating to Coronavirus/COVID-19

The novel corona virus, COVID-19, has been declared a worldwide pandemic by the World Health Organization. **COVID-19 is extremely contagious** and is believed to spread mainly from person-to-person contact. As a result, federal, state, and local governments and federal and state health agencies recommend social distancing and have, in many locations, prohibited the congregation of groups of people.

SuperKids has put in place preventative measures to reduce the spread of COVID-19; however, the camp **cannot guarantee** that you or your child(ren) will not become infected with COVID-19. Further, **attending the program could increase** your risk and your child(ren)'s risk of contracting COVID-19.

 By signing this agreement, I acknowledge the contagious nature of COVID-19 and voluntarily assume the risk that my child(ren) and I may be exposed to or infected by COVID-19 by attending the program and that such exposure or infection may result in personal injury, illness, permanent disability, and death. I understand that the risk of becoming exposed to or infected by COVID-19 at the program may result from the actions, omissions, or negligence of myself and others, including, but not limited to, camp employees, volunteers, and program participants and their families.

I voluntarily agree to assume all of the foregoing risks and accept sole responsibility for any injury to my child(ren) or myself (including, but not limited to, personal injury, disability, and death), illness, damage, loss, claim, liability, or expense, of any kind, that I or my child(ren) may experience or incur in connection with my child(ren)'s attendance at the program or participation in microschoool programming. On my behalf, and on behalf of my children, I hereby release, covenant not to sue, discharge, and hold harmless SuperKids, DJ Got Me Fit, DEA Music and Art as well as Eye Level Learning Centers, its employees, agents, and representatives, of and from the camp, including all liabilities, claims, actions, damages, costs or expenses of any kind arising out of or relating thereto. I understand and agree that this release includes any claims based on the actions, omissions, or negligence of the learning pod, its employees, agents, and representatives, whether a COVID-19 infection occurs before, during, or after participation in any microschoool program.
